When you were young and
On your own,
How did it feel to be alone?
I was always thinking of games that I was playing
Trying to make the best
Of my time

But only love can break your heart
Try to be sure right from the start
Yes only love can break your heart
What if your world should fall apart?

I have a friend I've never seen
He hides his head inside a dream
Someone should call him and see
If he can come out
Try to lose the down that he's found

Pam

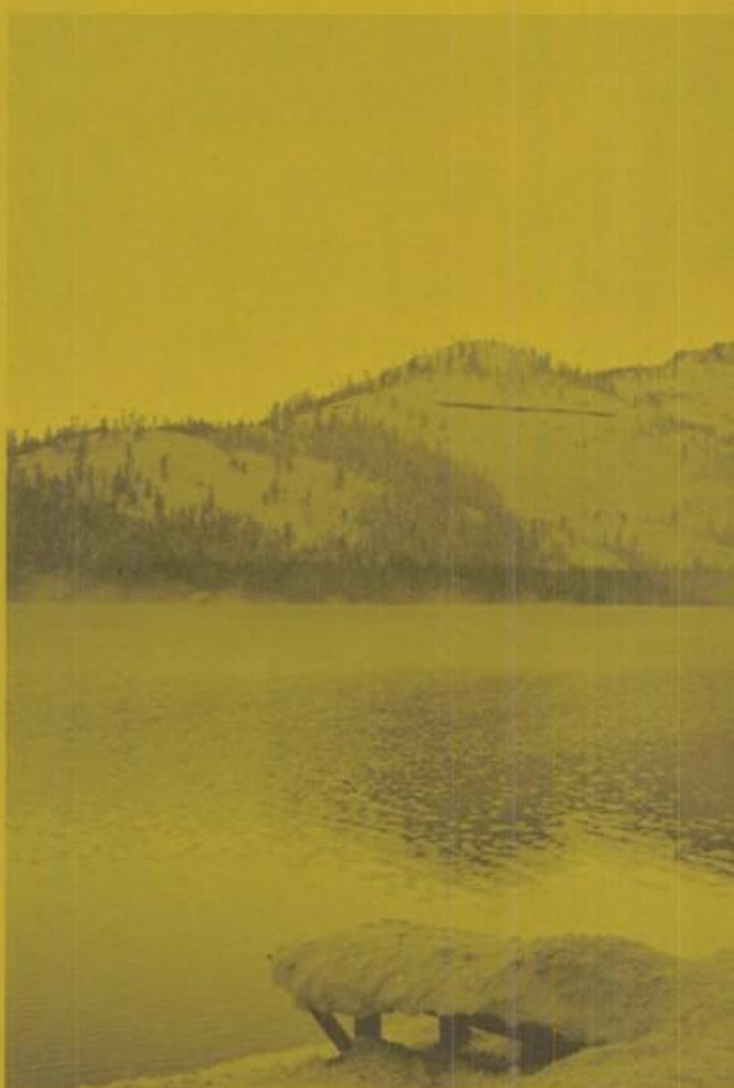

Well I dreamed I saw the knights
in armour coming
Saying something about a queen
There were peasants singing and
drummers drumming
And the archer split the tree

There was a fanfare blowing
To the sun
That was floating on the breeze.
Look at Mother Nature on the run
In the nineteen seventies

There are golden apples to be picked and green hills to climb.

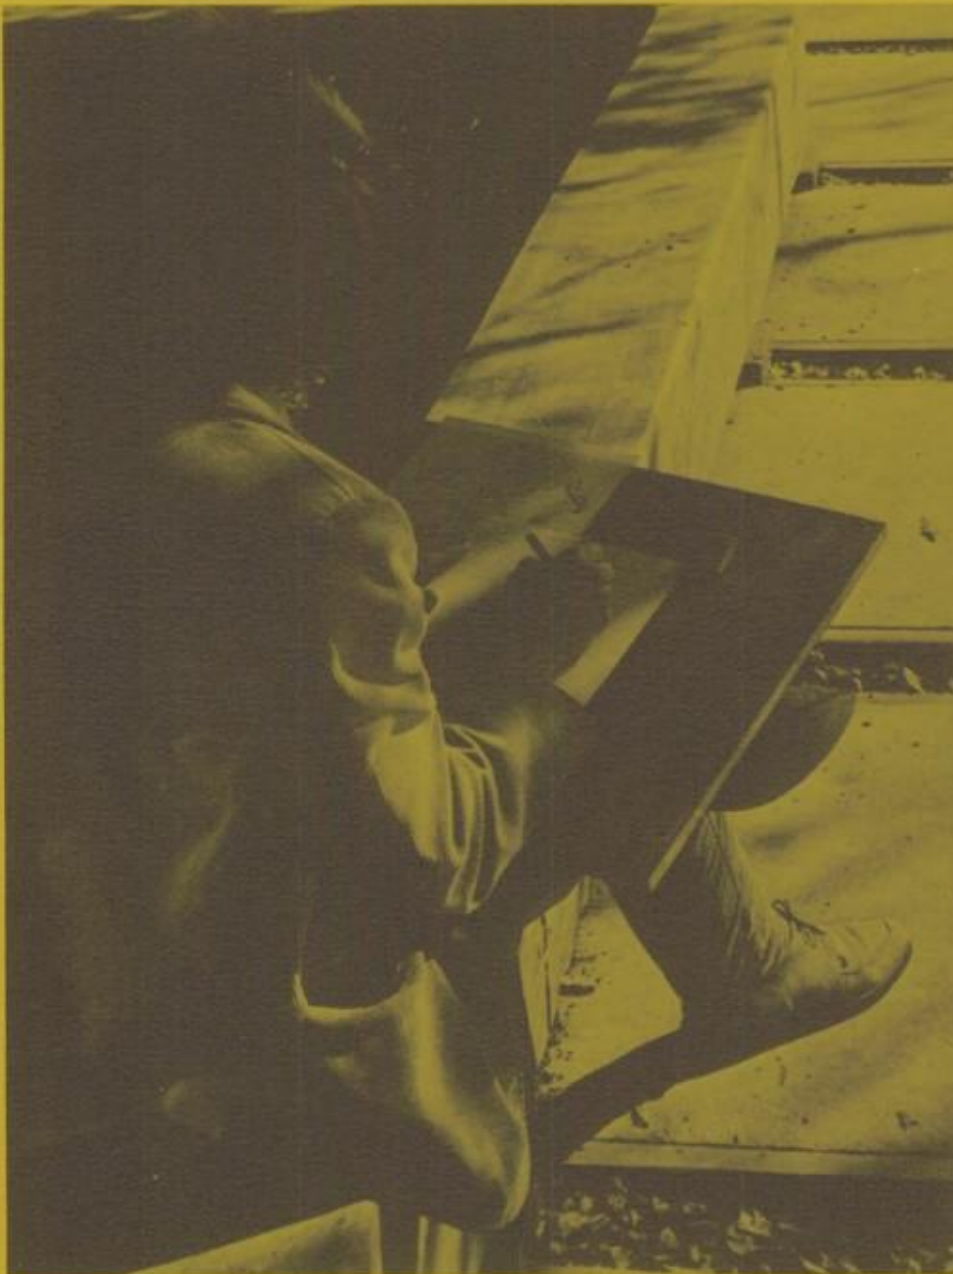

Rod McKuen

I sought my soul,
But my soul I could not see.
I sought my God,
But my God eluded me.
I sought my brother,
And I found all three.

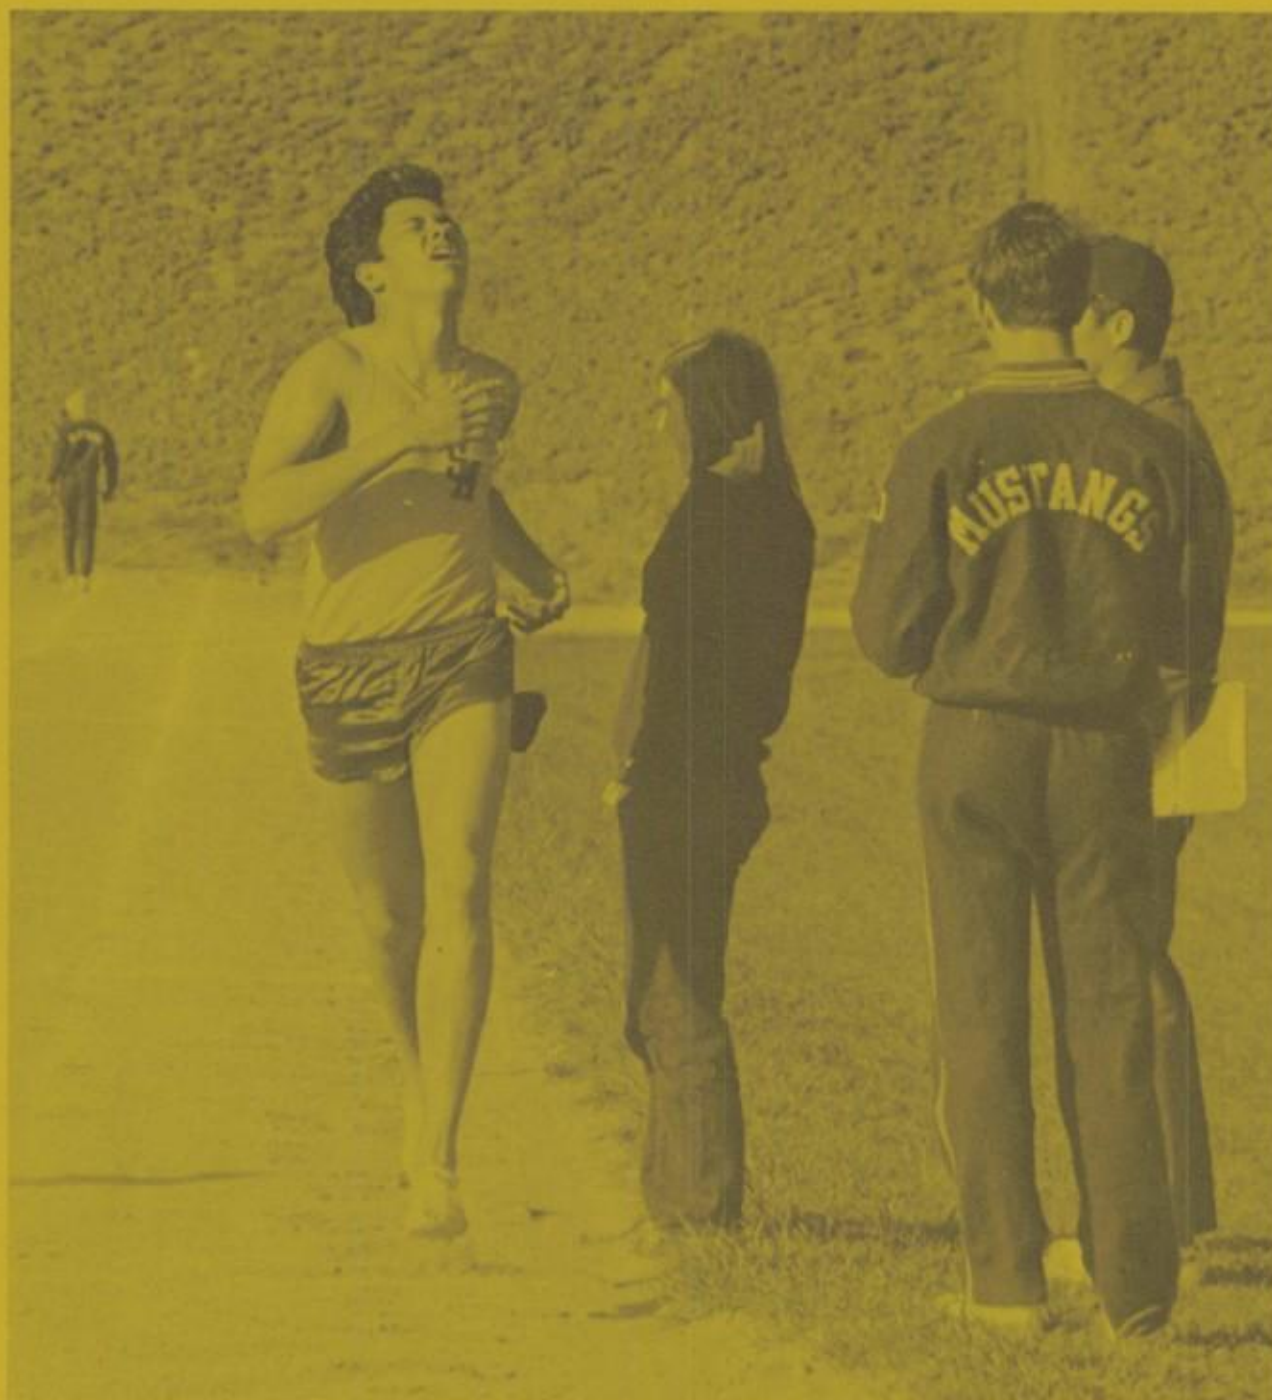

If a man does not keep pace
With his companions,
Perhaps it is because
He hears a different drummer.
Let him step to the music he hears,
However measured and faraway

The Box
By Kendrew Lascelles

Once upon a time in the land of hush-a-bye,
Around the wonderous days of yore,
They came across a sort of box
Bound up with chains and locked with locks
And labeled 'Kindly do not touch, its war.' . . .

A decree was issued round about -
All with a flourish and a shout
And a gaily coloured mascot
Tripping lightly on before -
'Don't fiddle with this deadly box
Or break the chains or pick the locks
And please don't ever mess about with war

Well the children understood,
Children happen to be good
And were just as good around the time of yore,
They didn't try to pick the locks
Or break into that deadly box
And never tried to play about with war.

But someone did,

Someone battered in the lid
And spilled the insides out across the floor,
A sort of bouncy bumpy ball
Made up of flags and guns and all
The tears and horror and the death
That goes with war.

It bounced right out
And went bashing all about
And bumping into everything in store
And what was sad and most unfair
Was that it didn't really seem to care
Much who it bumped, or why,
Or what or for.

It bumped the children mainly,
And I'll tell you this quite plainly,
It bumps them everyday and more and more
And leaves them dead and burned and dying,
Thousands of them sick and crying,
'Cos when it bumps its very very sore.

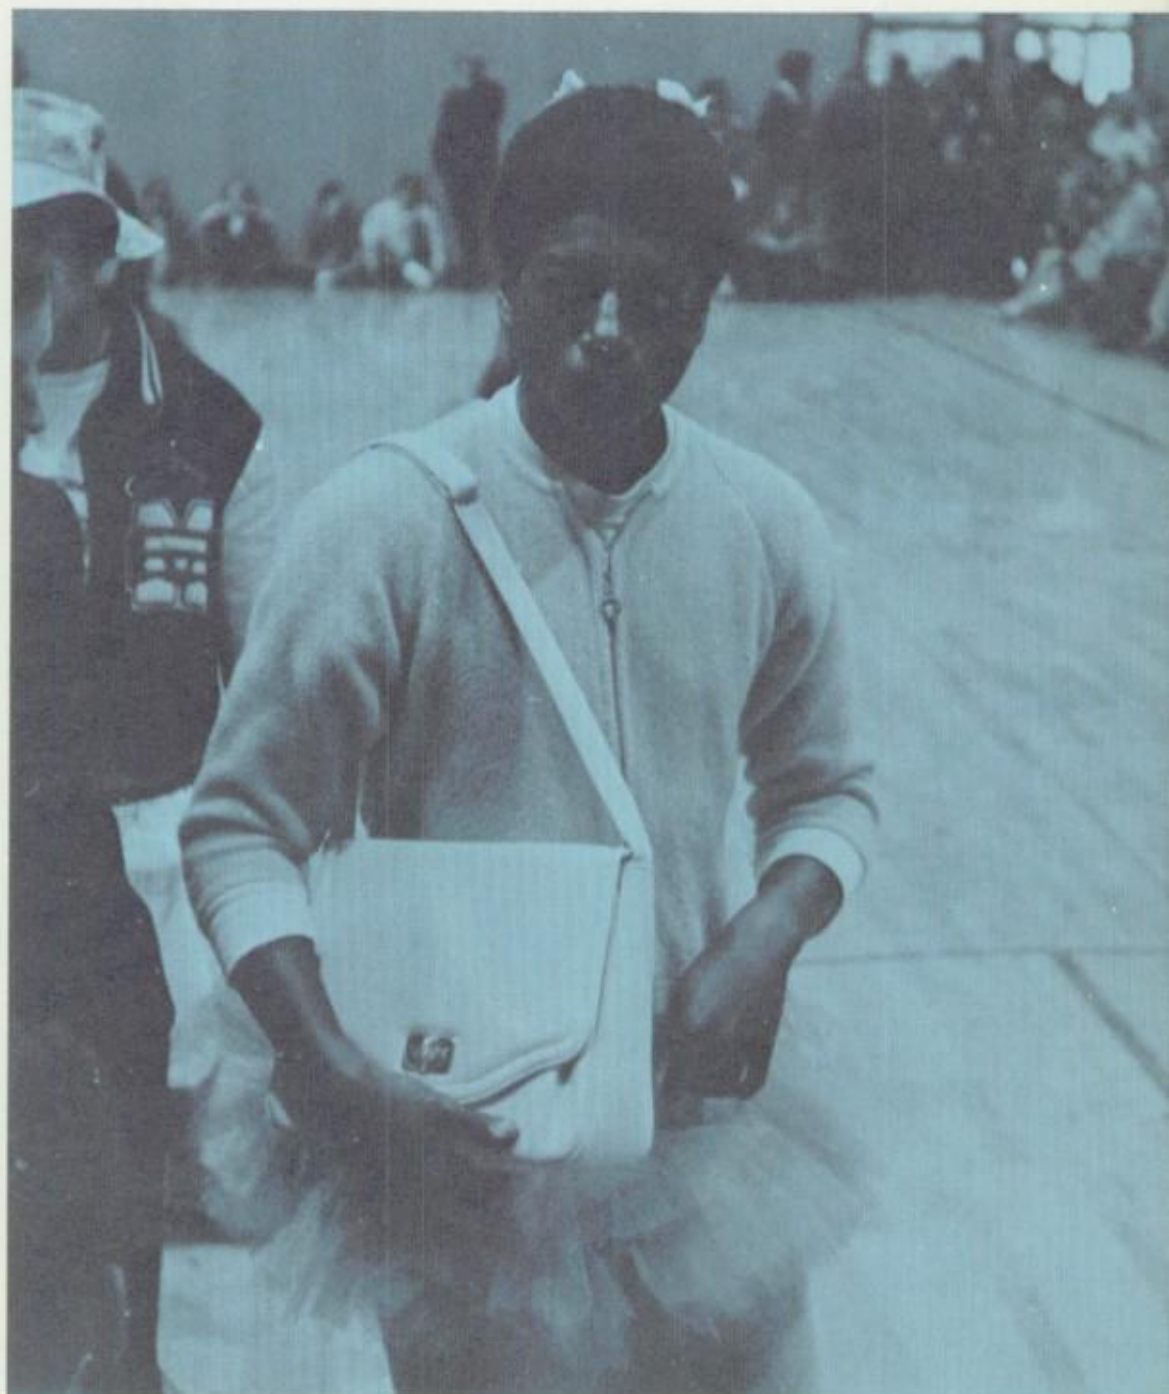

There is a way to stop the ball,
It isn't very hard at all,
All it takes is wisdom
And I'm absolutely sure
We could get it back into the box
And bind the chains and lock the locks
But no one seems to want to save the children anymore.

Well that's the way it all appears
'Cos its been bouncing round for years and years
In spite of all the wisdom wizzed
Since those wonderous days of yore,
And the time they came across that box
Bound up with chains and locked with locks
And labeled, "Kindly do not touch, its war."

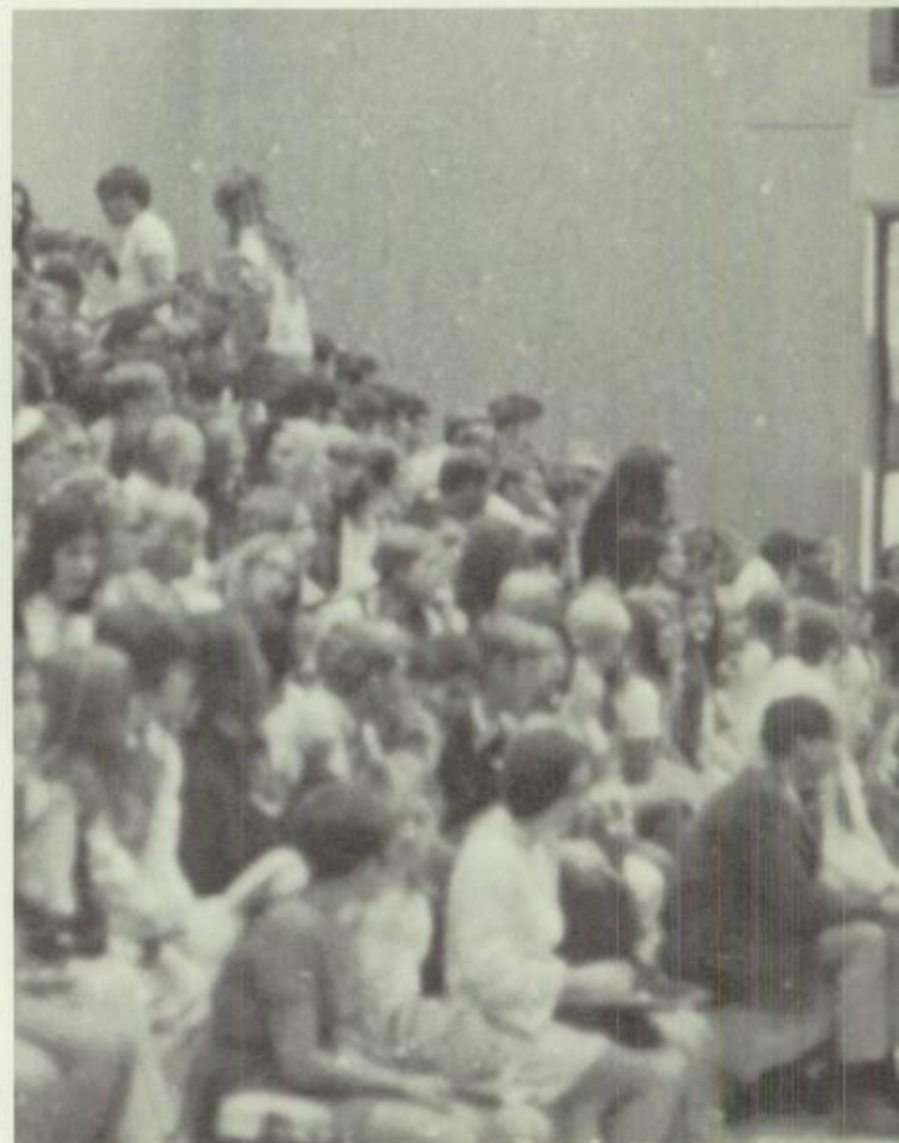

ACTIVITIES

First Week Of School Hosts Student

During the first week of school, an assembly was held in which all the students attended. Mr. Moroski and newly appointed vice-principal Mr. Stiveson, introduced themselves, the foreign exchange students and new teachers to the student body. The new sophomores were welcomed heartily by the entire student body and faculty. The cheerleaders and song girls performed routines.

Rallies Inspire Spirit

Juniors, Seniors Equal In Strength

This years powderpuff football game between the junior and senior girls brought on the conclusion that sportswise, juniors are equal to seniors, as the score was knotted at 6 all. The San Marin cheerleaders, songleaders, and mascots lead many rallies supporting the Mustang football team.

Spirit Week Shows Rivalry

Spirit week was one of San Marin's early major happenings. Each day was broken up with a separate theme. Probably the most humorous day for all students was the day after football slave day. All sold football players came to school in costumes that were contrived by their masters. Friday, a school wide rally was held in hopes of a victory against the Terra Linda Trojans the following day. Although the game was lost, 21-15, the spirit was obvious.

Above center-Homecoming Queen, Rita Amaya, admires flowers which Pete Sorensen presented to her. Above-Debbie Dahl is intently watched while she jumps for joy after jumping rope. Right-LeeAnn Trahan, Eddie Pewitt, Tom Fowler, and Sue Dimmick present themselves as slaves to the student body.

Dances Celebrate Special Occasions

San Marin held dances in honor of various holidays, and special events this year. A Christmas, a Queen Coronation, and Turn-about dance were three of the major occasions. The Turn-about was held at Novato High. Besides the dances, Mr. Yardas's band and choir presented a Fall Concert for the public to see. It was a big success.

Faculty By Two, Twice

This years Student-Faculty basketball game was an extreme success. Almost a capacity crowd watched the trailing students come back in the last few minutes to defeat the more experienced faculty by two points. In the Student-Faculty water polo game, the younger generation again were to quick for the older Poloists outscoring them by two.

Students Produce Smashing Success, Mame

Presented by San Marin students, Mame was a success. Playing four nights to a full house every night, the company proved to be very entertaining. Performing under the direction of Nancy DeLuca were Nancy Paris as Mame, Linda Miller as Vera, Kathy Scarabino as Agnes Gooch and many others. Mame is a story of an aunt, Mame, her nephew Patrick, Beauregard Burnside, her husband, her friends, and how they affect her.

100 Dancers, under the direction of Mrs. Smith, choreographed, made costumes for, and danced in the Spring Modern Dance Show. There were several outstanding dances, including an African-Cuban dance, a playground dance, and believe it or not—a live chess game. The Dance was a success, attended by approximately 550 students, parents, and faculty.

Earth Day Sought Solutions to Problems

Mrs. Todd's Ecology Club led the second annual Earth Day activities without mishap. Ecology members worked for over a month to arrange the two days. Besides planting lawn and junipers, students enjoyed the many displays and guest speakers.

Art Fair Draws Large Crowd

Among the events at the Art Fair were the Rakuing of ceramics, the selling of ceramics and paper mache masks that the students had made, also persons who came were able to participate in tie dying. The San Marin Modern Dance Club performed by doing a Maypole Dance. All together the day was a success.

More Than 60 Awards Given To Seniors

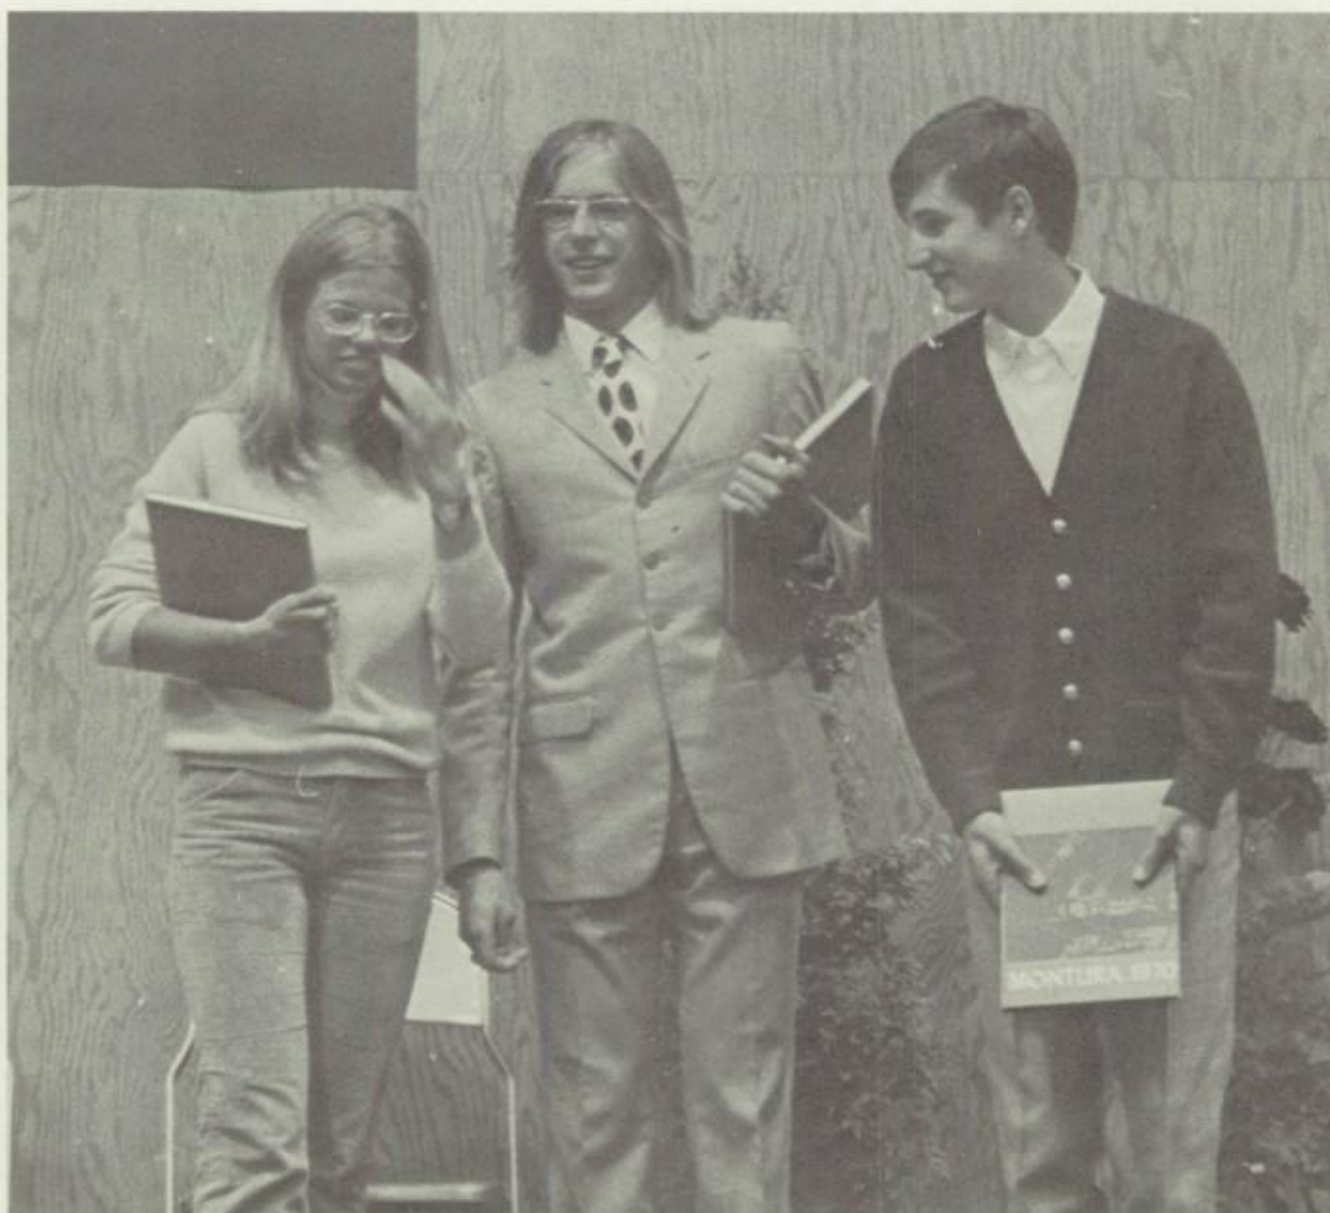

This year's Senior Awards Night was both rewarding and surprising for many students. CSF Life Members were awarded gold tassels and pins. Each department gave an award to the outstanding student in each department. John Henderson and George Franklin both received scholarships. The school was awarded with flags hand-sewn by the exchange students.

Senior Ball Attracts Many Couples

More than one hundred couples attended the Senior Ball in the Gaslight Room of the Claremont Hotel in Berkeley. "Shades of Time" being the theme was shown by the different styles of gowns worn by the girls. Bill Satche and Orchestra played such numbers as "Love Story," "Strangers in the Night," and "Traces of Love."

GRADUATION-AT LAST

326 graduated from San Marin High School, June 10, 1971. The Class was welcomed by Gayle Yamasaki, Class Chairman. Elaine Omack and Mike Trahan gave a few words and Mr. Moroski, principal, and school superintendent, James Bunker gave congratulations.

Juniors Strive For Perfect Year

The film festival, displayed by the junior class, was the class of '72's major accomplishment. Richard Rediske and Barry Sullivan lead the future rulers of San Marin, which are 346 strong, through a great year of learning. Many juniors participated in school wide ski trips and ecology expeditions. Attempts to line up a boat dance were made by the junior class and turned down. Hopes are high for one in their senior year.

SM Campus Welcomes Sophomores

The sophomore class of '71', graduating in '73', may look forward to the already established leadership at San Marin. At the first election, sophomores were elected to the council. The underclassmen were also fortunate to have many songleaders and cheerleaders representing San Marin. Next year when the class of '73' become juniors, they will aid the new seniors and sophomores in running the different parts of San Marin.

Pre-Season With Victory Over Terra Nova

The Mustangs pre-season games were not too successful, but each game showed improvement over the other. Losing 12-0 in the first outing against Encinal, the defense proved its worth although the offense could not get together. Scoring more in the next game, the Mustangs lost to Rancho Cotati, 38-26. Finally putting it all together, the Mustangs defeated the Terra Nova eleven, 21-6. Overall yardage gained against San Marin in pre-season was 56 yards, compared to 46 yards gained against the San Marin opponents.

Young JV Mustangs Look To Next Year

The Junior Varsity Mustangs finished with a slightly better record than the Varsity. Coach Whitney's squad, which was very short handed this year, finished the year with one win, four losses, and one tie. The tie with the powerful San Rafael Bulldogs was the highlight of the season, with the final score 6-6. The defense scored the touchdown on an interception. Matt Sherril was awarded the most valuable player trophy.

Cross Country Sprints Through Season

The San Marin Varsity Cross Country Team concluded their season on the plus side in early December. Finishing with a record of five wins and three losses, the Pacers improved over last year's record by one win. Gary Lathrop and Creighton Beyer were yearlong standouts for Coach Jim Vanderbeets. The highlight of the season was the victory over the cross town Novato Hornets.

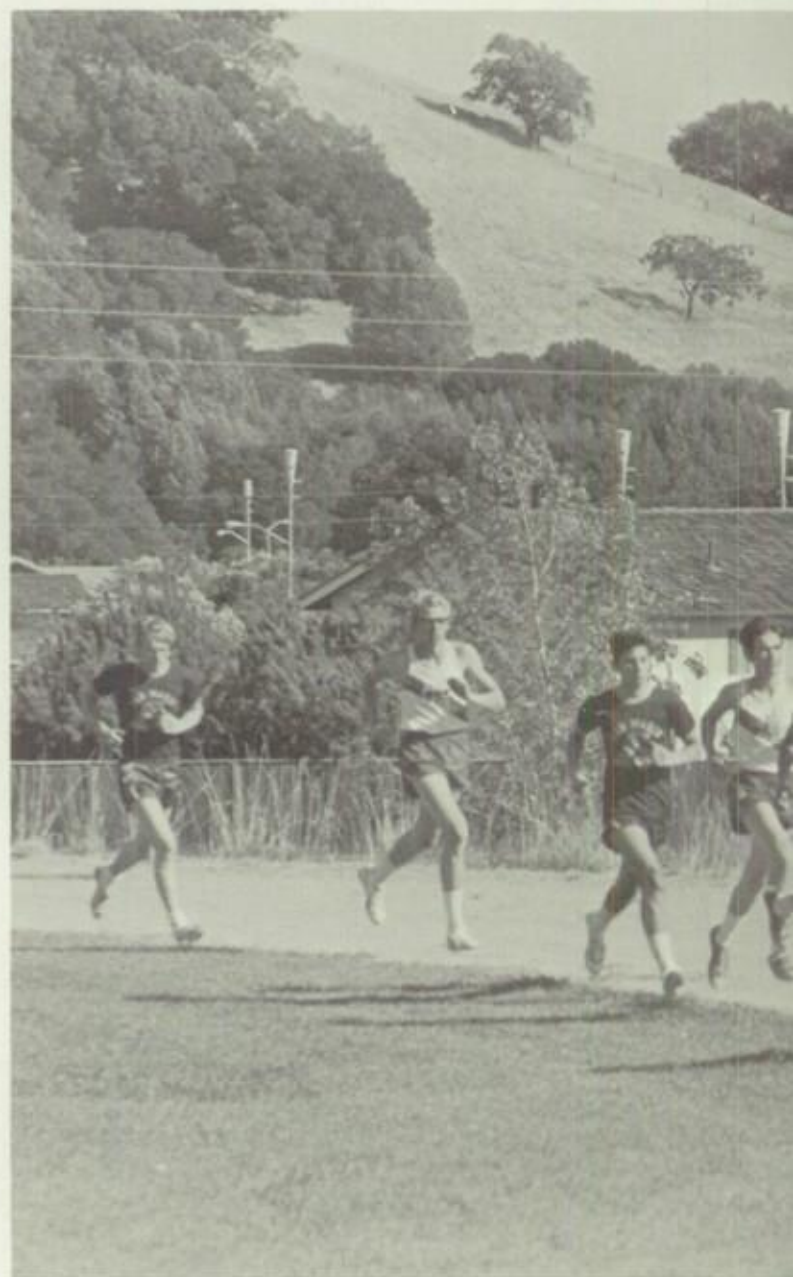

Gary Lathrop is seconds from crossing the finish line as Terry Rivasplata closes in from behind.

ORGANIZATIONS

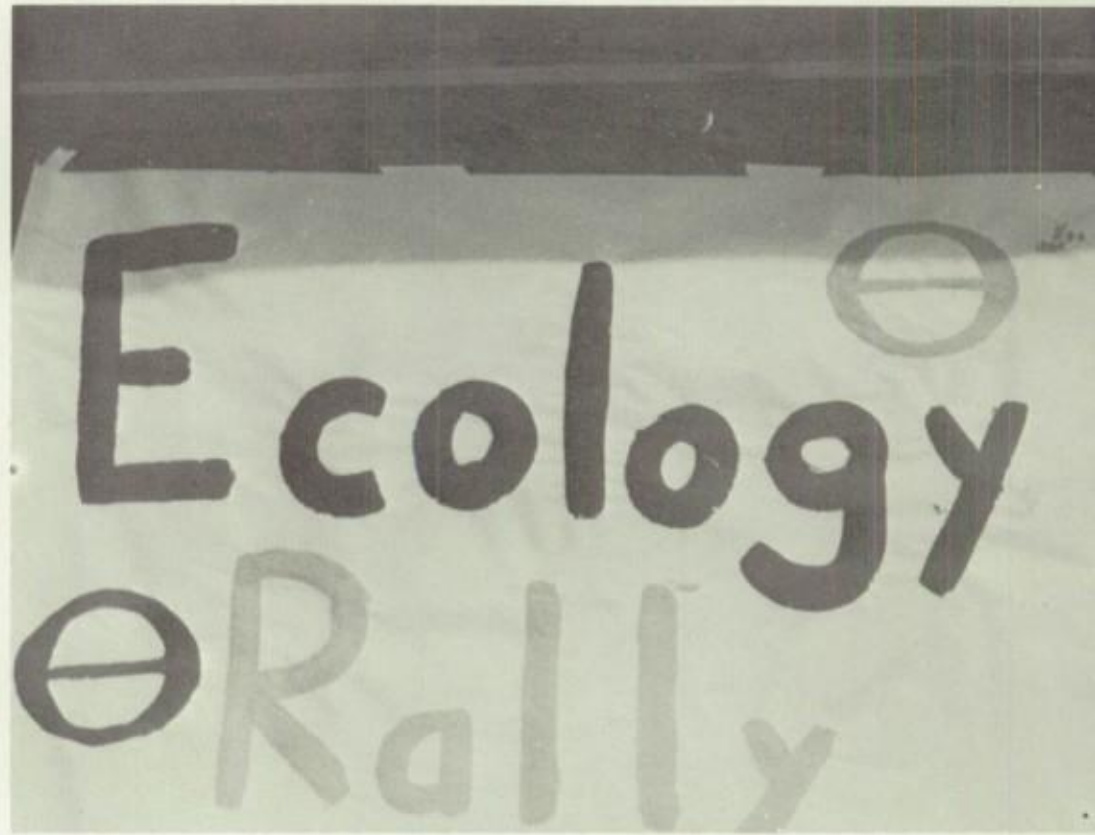

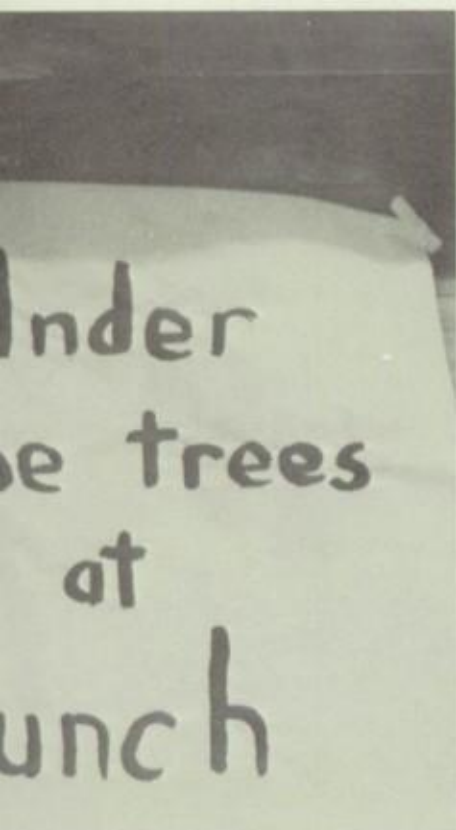

Ecology Members Fight Pollution

The Ecology Action Club, in its first full year of activity, sponsored a dance at the beginning of the year charging, as an admission fee, aluminum cans. In November, they sponsored the walk for parks to raise money for the city to buy some land. Mrs. Todd, advisor, is especially proud of the students for opening a depository for tin, glass, and newspaper. In April, the club had Earth Day. The day was full of exhibits and displays. The club also raised money for some more bike racks, which were so badly needed at San Marin High.

Debate Club Shows Improvement

Although rather inactive this year, the Ambassador club held regular meetings and elected new officers regularly. Some foreign guests visited the club and explained what their countries are like.

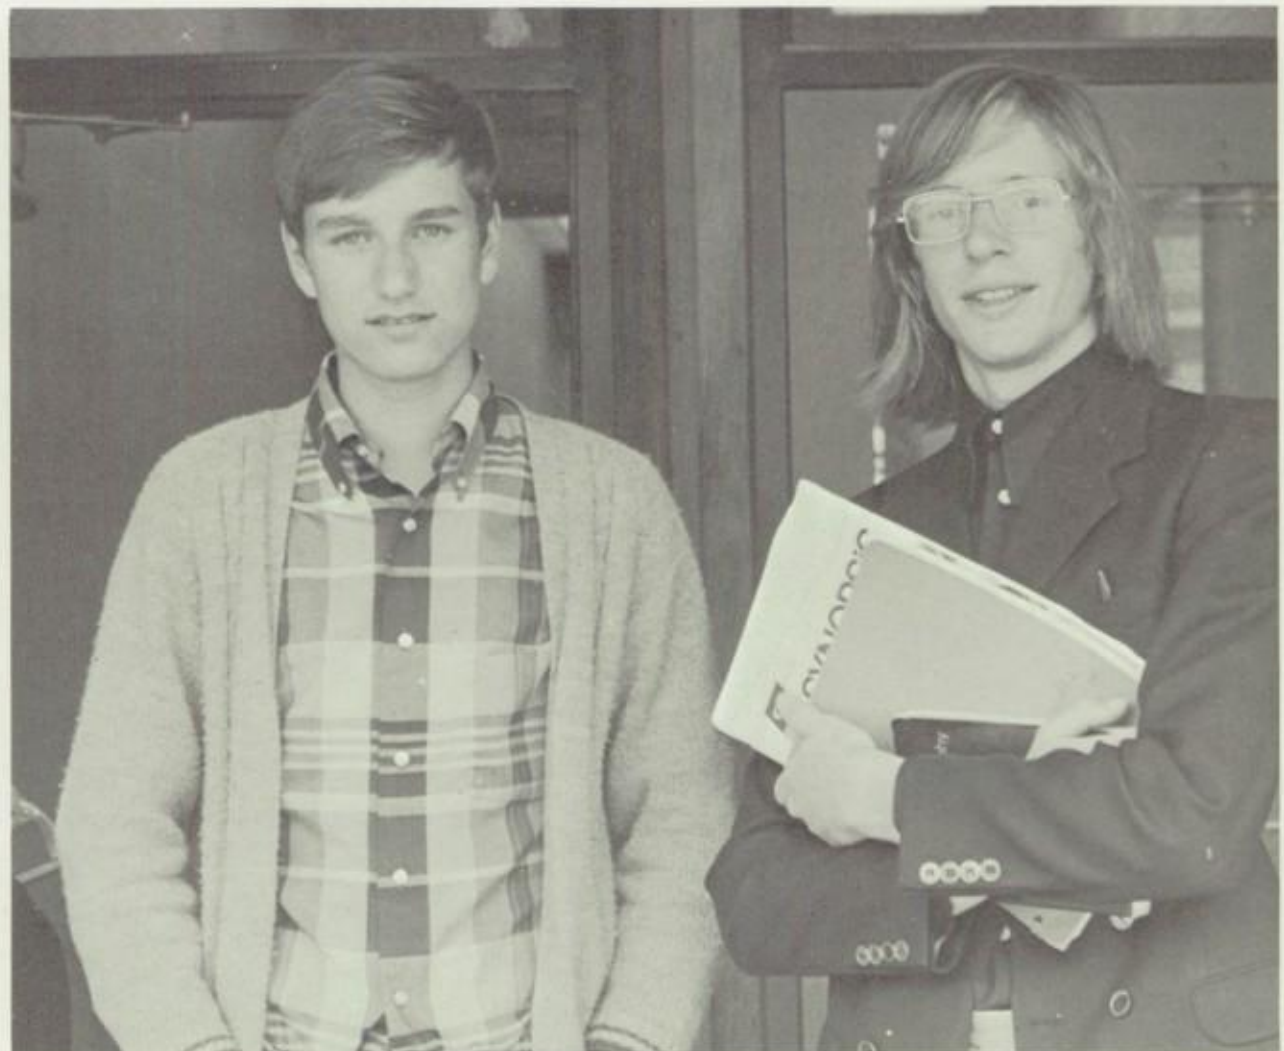

San Marin's debate club has won considerable fame in it's first year of existence. Besides winning the major portion of their matches, Curt Barton and Jean Bullock were participants in the North Marin finals.

The Parent Faculty Club was very helpful to the students of San Marin this year. Their main project was to raise money for the Scholarship Fund. This money was given to needy students at the end of the year.

Ambassadors Promote Friendship

Band And Choir Combine For Joyous Sounds

The 71' versions of Band and Choir were very busy. Together they held two exhibitions for public viewing. The Fall Concert was held in December, while the Spring Concert was held in May. Alone, the band performed at basketball and football games, and rallies. Mr. Yardas directed the band throughout the year.

In the Annual Solo Ensemble Festival March 20, San Marin Musicians brought home Command Performance, 9 Superior, one Excellent, and one Good.

Spirit Leaders Pep-Up San Marin

San Marin's cheerleaders, songleaders, and mascots have done an excellent job in promoting team and school spirit throughout the year. The girls have attended many victorious athletic events along with some defeats with spirit and a good deal of sportsmanship. Mrs. Chris Say is their advisor.

Black And White Combine For Successful

The 71' Student Government at San Marin concentrated it's activities toward money-raising for scholarships to be awarded at the end of the year. They also sponsored dances during the year and various other activities. One of these events was project HELP.

The Black Student Union was active the first half of the year. During that time, they sponsored "Black Awareness Week." In that time, there was a display in the library and a rally at lunch with guest speakers was held.

Student Body

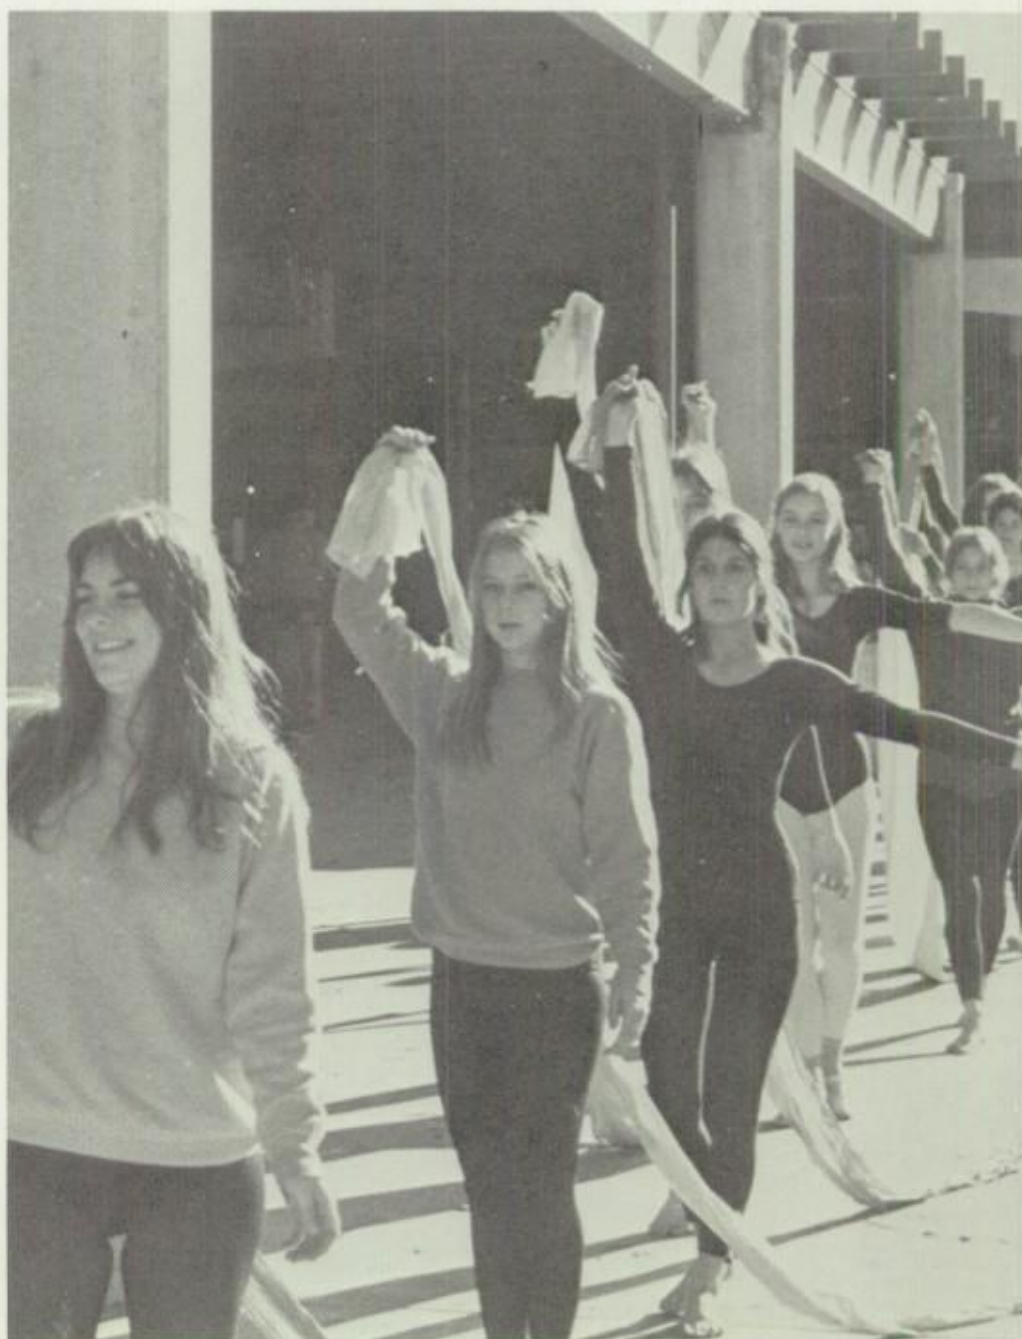

The Montura Staff consisted of thirteen students, of which three returned from the previous year. Marci Long, one of the returning three, who was appointed editor of the 71 Montura, decided not to extend the book but to "try to improve the contents of the book." Mr. Peter Giglio is this year's advisor. The students of the class sold candy bars and sent out advertisements for Young Bros. in order to raise money for a more attractive book.

The Pony Express Staff consisted of two classes. The Journalism 11 class acted as editors and copy readers, while the new Journalism students reported and wrote stories assigned to them by the other class. Miss Iris Cloudt was the advisor for the third year along with teaching her other classes. The staff published ten issues of the paper and several basketball and football programs.

SM Girls Are Active In Sports And Dance

San Marin's girls were active in sports all year. They competed in volleyball, tennis and badminton. Girls that were not interested in competition, could come after school for intramural activities. They sold hollygrams at Christmas to raise money for awards that were given out at the end of the year.

Modern dance has expanded to a regular P.E. class held first period. They had a Christmas show in which 150 girls and Urbano Bousiequez participated. The club had many more members outside the class, but Mrs. Smith, their leader, could not take all the girls in her class. The girls have gone on several outings, where they took dance lessons from professionals.

More Plans Made For Ski-Bicycle Club

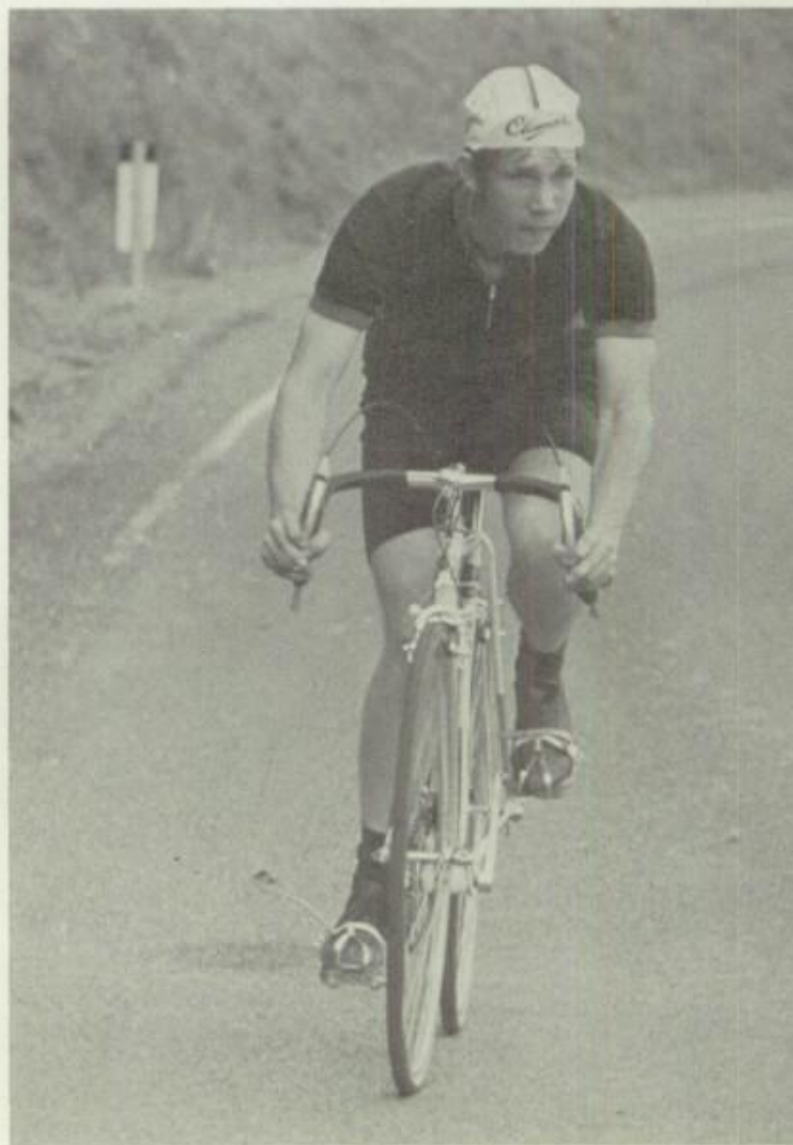

Over 10 CSF members graduated after receiving gold pins and gold stars displayed on their diplomas. These people are Life Members and have maintained a constant grade point average. Although the club was not very active this year, membership increased over last year.

The San Marin Ski Club, sponsored by Mr. and Mrs. Chris Dawson, took several trips with their 50 members. One trip was to Sugar Bowl, a well-known resort.

while in a program

Good luck in the future
